

Setting up an Apple ID

There is a large variety of media available on the iTunes Store ranging from apps to movies. In order to have access to this media, you need to make an Apple ID. An Apple ID also allows you to use Apple's extensive range of services including FaceTime video calling. The method for setting up an Apple ID varies on the device you are using.

Setting up an Apple ID on a computer

If you have iTunes, skip to step 5

 Open a web browser, such as Internet Explorer or Google Chrome, and go to <u>www.apple.com/au/</u>
